Dear Carrie Christie,

On behalf of the Board and staff of the Alzheimer's Association, thank you for your generous gift to our Georgia Chapter in support our Annual Memory Walk.

Throughout 2008 our Chapter provided assistance to more than 113,000 family members struggling with Alzheimer's, while simultaneously offering both professional and family educational programs to more than 11,800 individuals. Our Chapter has established an unprecedented reputation for leadership due to our development of innovative service delivery models used to assist individuals, families, and health care providers overcoming Alzheimer's challenges. These accomplishments would not be possible without the support of individuals such as you.

Once again, please accept our sincerest appreciation for your thoughtfulness. If you have any questions, or need assistance in any way, please do not hesitate to contact me.

Best regards,

Dave Houston
Vice President of Development
